ABOUT ME

I am Passionate and resourceful Flutter developer with experience in crafting high-quality cross-platform mobile apps. I enjoy turning ideas into intuitive and visually engaging applications, combining clean architecture with innovative features to deliver impactful user experiences.

EXPERIENCE

JUNIOR FLUTTER DEVELOPER/ FOLIAGE SOFT **2022-2024**

Assisted in developing and maintaining cross-platform mobile applications using Flutter. Collaborated with senior developers to implement features, fix bugs, and improve performance. Integrated Firebase services (Auth, Firestore, Cloud Messaging) and REST APIs. Contributed to UI/UX improvements by translating Figma designs into responsive layouts.

FLUTTER DEVELOPER/ BITMAP IT SOLUTION **2024-2025**

Led the development of scalable Flutter applications for Android and iOS. Designed and implemented state management solutions (Provider, Riverpod, or Bloc) for app stability. Optimized app performance, reducing load times and enhancing user experience. Deployed apps to Google Play Store and Apple App Store, ensuring proper CI/CD workflows.

EDUCATION

BACHELOR IN IT **2021-2025**

Oxford college of engineering and management

+2 IN COMPUTER SCIENCE **2018-2020**

Nobel Academy
